

## Bethel.

The farmers are nearly or about through with their work. Crops are looking exceedingly well—cotton and corn especially. Hay is turning out a moderately good crop. Pastures held out very well during the past dry spell.

Thomas Harmon, formerly of this place, but now a popular clerk of a Nashville firm, was called home on account of the sickness of his father, Mr. Wash Rogers, who has been very low with inflammatory rheumatism. We hope to hear of his early recovery. Mr. Russell Erwin, an old and highly respected citizen of this community, died yesterday morning at 11 o'clock. His death was caused by the fall of his horse, or by being thrown from his horse on last Wednesday. He was buried this morning at Pleasant Hill with masonic honors.

Miss Ettie Smith, daughter of Mr. Bryant Smith, has been very ill for some time past.

Mr. Joseph Parks, of Lawrenceburg, is in our little village visiting his sons, Messrs. Reagin and Lucas.

One of the most enthusiastic meeting ever assembled in Pulaski was held at the court house last Friday night. It was composed of the friends of Mr. Talieferro who met to select a suitable delegation to be elected the next day to go to Franklin on the 14th in his interest. The meeting was presided over by W. H. Abernathy esq'r. The result of their deliberations was the election next day of the following gentlemen as delegates:

F. Winship, A. P. Loveman, J. R. Jones, J. A. Sumpter, S. C. Mitchell, S. E. F. Rose and E. G. Buford.

The enthusiasm elicited must have been a source of infinite pleasure to our popular townsman, Mr. Talieferro. He addressed the meeting in a short speech, and frequent applause testified the high esteem in which his neighbors and friends hold him. He is not a man to be insensible to such marks of regard, and if the Franklin convention should entrust him with the standard of the party he will carry it to

victory and repay the zeal of his friends in persistent service to his country.

## Teachers' Normal Institute.

The attendance has been very good during the week, and a very noticeable and agreeable improvement is the increase in attendance of the young ladies. We are always glad to have them with us and they are thrice welcome to our institute. The following new names were added to the list. J. F. Anderson, W. J. Anderson, Rev. H. L. Booth, A. N. West, E. C. McCormick, T. J. Wood, J. T. Holt, J. R. Williamson, Theo. Lee, J. J. Zuccarello, Miss Mattie Lou Brown, Miss Willie Gilbert, P. J. Anderson, R. P. Yancey, A. S. Abernathy, J. W. Sneed, Jas. Finley, J. C. Roller, J. C. Calvert and W. D. Aymett.

On Monday at 11 o'clock, Capt. J. C. Lester addressed the Institute in his characteristic and easy style, replete with spirited and pointed facts. He said that this Institute worked a new era in educational affairs, that he expected to see ere long many blessings and much good as the result of this conference of teachers. At the close of his remarks he was voted the thanks and made an honorary member of the Institute.

On Tuesday the teachers went through the regular exercises and at 11 o'clock Prof G. W. Campbell made a speech describing the kind of men that are competent to teach school. He said that a man must not only be competent mentally, but he must love his work and must not engage in it for the mere sake of present emoluments, but he must engage it as a profession and be endowed with a special talent for teaching.

On Wednesday Judge Jao. A. Tinnon presented, in a very pleasing and appropriate style, a Normal School certificate to Miss Mattie Lou Brown. He also delivered a very interesting address to the Institute at eleven o'clock.

I. N. SMITHSON, Secretary.

The genuine Singer has trade mark on legs of the stand. Call and examine machines. Branch office 1st Main St., Pulaski, Tenn.
